- POS & Pharmacy Software Systems
- GSAP & Advanced Web Animations
- CMS Integration

Professional Experience :

Senior Full-Stack Web Developer Mediasoft Data Systems Limited (https://mediasoftbd.com/)

On-site (Dhaka, Bangladesh) | Tech Stack: Next.js, Angular, Vue.js, React + Vite, Laravel, Node.js, Capacitor, Electron, Server Deployment

2022 – Present

- Architected and deployed enterprise-grade e-commerce platforms, POS systems, and pharmacy software solutions across web, Android, and desktop.
- Engineered modern full-stack web applications using Next.js, React + Vite, and Laravel backends with RESTful API architecture.
- Developed cross-platform Android mobile applications using Capacitor and desktop software using Electron.
- Managed full server infrastructure, including cloud deployment, NGINX configuration, performance tuning, and CI/CD pipelines.
- Transformed complex Figma and PSD design assets into responsive, accessible, and high-performance user interfaces.
- Collaborated cross-functionally with backend engineers, project managers, and client stakeholders to deliver feature iterations on schedule.
